MEMORANDUM FOR: Associate Deputy Director for
Science and Technology

SUBJECT: Suggested Amendments to Key Intelligence
Questions for FY 1974

REFERENCE: DCI Memo for NSCIC, [redacted]
dated 30 October 1973

25X1

In response to your request, OSI suggests the following
amendments to the referenced draft memorandum:

Page 1:

1. Soviet Political Dynamics

Add: - The USSR's capability to provide
continued military aid to third-world
countries and still satisfy its own
national security needs

Page 2:

3. Soviet Nuclear Weapons

- Impact of termination of underground
testing (e.g., a comprehensive test ban)
on development and deployment of Soviet
nuclear warheads

Comment: - We know of no unusual pressure
for a CTB that requires an answer to this
question in FY 74.

5. Soviet Naval Systems

Add: - Soviet efforts and progress in
improving the command and control of their
SSBN/SLBM forces
